§ 435.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by SSA.

PROPERTY STANDARDS

§ 435.30 Purpose of property standards.

Sections 435.31 through 435.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. Recipients must observe these standards under awards and SSA may not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§ 435.31 through 435.37.

§ 435.31 Insurance coverage.

Recipients must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 435.32 Real property.

SSA will prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, will contain the following.

(a) *Title.* Title to real property will vest in the recipient subject to the condition that the recipient will use the real property for the authorized purpose of the project as long as it is needed and will not encumber the property without approval of SSA.

(b) *Use in other projects.* The recipient must obtain written approval by SSA for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects is limited to those under federally-sponsored projects (*i.e.*, awards) or programs that have purposes consistent with those authorized for support by SSA.

(c) *Disposition.* When the real property is no longer needed as provided in paragraphs (a) and (b) of this section, the recipient must request disposition instructions from SSA or its successor Federal awarding agency. SSA will observe one or more of the following disposition instructions:

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by SSA and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures will be established that provide for competition to the extent practicable and result in the highest possible return.
